ONA T. WANG, United States Magistrate Judge:

The Court has reviewed the City of New York's ("the City") response to the Court's December 2, 2019 Order to Show Cause. (ECF 40). The Court will not issue sanctions at this time. The City shall provide a status letter by **December 23, 2019**, updating the Court on the status of the production and review of Plaintiff's medical records and any other additional identifying information. Plaintiff is directed to respond to the City's identification interrogatories so that the City may sufficiently determine the identities of the Doe defendants.

Although Plaintiff points out that the City has been served with the summons and complaint, the City is not a named defendant in this matter. The record further shows that no defendant has been served yet, partially due to the fact that Plaintiff and the City have been unable to ascertain the identities of any of the defendants. (ECF 10). Accordingly, because no defendant has been served, Plaintiff's motion for default judgment is denied as premature. The Clerk of Court shall close ECF 33. The Clerk is respectfully requested to mail a copy of this Order

to the *pro se* Plaintiff.

SO ORDERED.
